Dear Mr Karnas,

I hereby would like to express my heartfelt thanks for your participation in CEPOL 69/2015 'Hate Crimes' organised by the Faculty of Law Enforcement, National University of Public Service from 29 June to 3 July.

I would like to extend my greatest appreciation for your presentation that has made our very first appearance in the CEPOL courses high-standard.

It was a great honour for us to work with You and your contribution has raised the level of the professionalism of the programme and it has promoted an extensive information exchange. According to the feed-back your presentation was well-structured and of high standards.

We hope to meet you again when we organize a similar course.

I send you my warm regards and wish you further success in your work.

Yours respectfully,

**Dr. Judit NAGY police major
Course Manager**
